Dear Parents and Carers,

I hope that you and your family are well. I want you to know that we **very much miss you all**, and we very much look forward to us all being a school community once more.

Please do ensure that you follow the government guidelines and stay at home. I know that with the warm weather, it can be very tempting to let your children out to play, but I cannot emphasise enough the importance of social distancing and staying at home. By following these guidelines, we can help save lives.

The teachers have worked very hard to provide learning for your children whilst the school is closed. Your child should have brought home a pack of learning with them. Y1, Y3, Y4, Y5 and Y6 teachers are using google classroom and Miss Jones (Y2 teacher) is setting work weekly on the school website. However, we do appreciate that some families have no access to online learning. If that is the case, and you require more packs of work to do at home, please contact the school office and we will organise more work for you.

Please take care and stay safe,

Yours Sincerely  
Julie Ireland
